Government-Wide Initiatives

61                      Donald McCory was pretty interesting  
Judy Yuran was not very informative for the level of audience  
Need a bigger picture prospective

How To... "Tips, Tricks and Suggestion, and Lessons Learned"

38                      Was this session for programmers or end users?

How To... "Tips, Tricks and Suggestion, and Lessons Learned"

33                      I was lost - too junior to be in this session.
